The Candidate seems to be under the impression that as his father was for some time a student in Madras, the latter became a 'British Subject'. It is seen from the application copy, that the Candidate's father is a Shanbhog in Mysore Taluk. It seems therefore that the candidate should obtain a declaration of eligibility under S. 262(3) of the Govt of India Act. Drafts are submitted for approval

Just at this stage, Mr. H.O. Narasimhachar, the father of this candidate, came up & ascertained about his son's affidavit. On being enquired he stated that he and his wife were both born in the Mysore State and he has also given a detailed statement. In view of this statement, there is now no doubt that the candidate is a Mysore subject and that a declaration of citizenship is necessary.

With reference to your letter No. J.1.C.C. 110/40-41, dated 15th March 1941 returning the attestation forms of certain candidates for the I.C.S. duly filled in, I am directed to forward an extract of the entries made by Mr. H.O. Krishnaswamy in columns ~~in~~ 1 to 12 and the declaration made at the end of his application. The candidate statement in column 12 of the application that a declaration of -- eligibility is not necessary in his case can be accepted only if it is clear that he is a British subject. He has stated however that he is a subject of the Mysore State having been born in Bangalore and his remarks as to the nationality of his father are not also clear. In the circumstances, the Residency have requested that urgent enquiries may kindly be caused to be made whether with reference to section 1(1) (b) of the British Nationality and Status of Aliens Act, 1914, the candidate in question is in fact a British subject.

The favour of a very early reply is requested.
